

Belgian Underground Optical Cable Price Inquiry

AI Overview

The average price of optical fiber cables in Belgium ranges from approximately \$18,400 per ton for imports to \$29,000 per ton for exports, reflecting market dynamics and sourcing strategies.

Market Overview

Belgium serves as a major trade hub for optical fiber cables, relying heavily on imports to meet domestic demand and for re-export purposes. The country imports a significant portion of its optical fiber cables from the Netherlands, which supplied 38% of the total import value in 2024, while exports are primarily directed to France, the Netherlands, and the United States .

Pricing Trends

- **Import Prices:** In 2024, the average import price for optical fiber cables in Belgium was \$18,426 per ton, remaining stable from the previous year but lower than historical highs .
- **Export Prices:** Belgian exports averaged \$29,064 per ton in 2024, marking a 23% increase from the previous year and an 18.5% increase compared to 2020 .
- **Historical Context:** In 2023, the average export price was \$23,669 per ton, showing a 12% increase from 2022, while import prices in May 2025 reached \$86,154 per ton due to short-term market fluctuations .
