

Concealed cables and exposed electrical boxes

Overview

To hide cords and wires without renovating, use purpose-built furniture with hidden compartments, cable management boxes, or decorative baskets to conceal clutter. Run cords behind or under furniture, or use trunking solutions and adhesive clips along skirting boards for seamless. Comparison of advantages: exposed boxes offer easy access and lower cost, while concealed boxes provide safety, aesthetics, and higher property value. When you pick exposed or concealed electrical boxes, you make a choice that impacts safety, cost, and aesthetics. They keep connections safe from dust, moisture, accidental contact, and mechanical damage—ensuring system reliability and compliance with safety standards. Installation of PVC Conduits 2.
