

# Eastern European custom-made mesh cable tray manufacturer

## AI Overview

Several reputable manufacturers in Eastern Europe and nearby regions offer high-quality mesh cable trays, including DKC Europe, Eurotray, Spina Group, and VE TIC.LTD. STI Emit Metal.

### Key Manufacturers and Offerings

DKC Europe is a leading European supplier providing a wide range of cable tray systems, including mesh trays, for civil and industrial infrastructures. They offer energy protection, transport, and distribution solutions, with technical support throughout project phases (DKC Europe) . Eurotray Support Systems specializes in cable management systems designed for heavy cable loads and industrial hygiene requirements. Their products include trays, mounting supports, and fittings suitable for data centers, food manufacturing plants, and raised floor applications. They also provide turnkey solutions and custom designs for complex installations (Eurotray) . Spina Group / Schiavetti Tekno is an Italian manufacturer offering stainless steel, galvanised, and wire mesh cable trays. They provide multiple tray types—closed, perforated, ladder, and wire-mesh—with full compliance to European (EN) and international (UL) standards. Their systems include accessories, covers, and mounting solutions for industrial and infrastructure projects, ensuring corrosion resistance and long-term performance (Spina Group) . VE TIC.LTD. STI Emit Metal in Turkey is a prominent manufacturer of metal cable trays, ladders, and trunking systems with a monthly production capacity exceeding 1000 tons. They specialize in spot-welded wire mesh and custom solutions tailored to client specifications, serving B2B customers across Europe (Europages) .
