

Ghana Indoor Distribution Box Manufacturer

AI Overview

Ghana has several reliable manufacturers and suppliers of indoor distribution boxes, including modular and low-voltage electrical boxes suitable for residential, commercial, and industrial applications.

Key Manufacturers and Suppliers

Allwin Electric specializes in high-quality modular electrical boxes made from galvanized steel, CRCA steel, or durable PVC. Their products are designed for secure installation of switches, sockets, dimmers, and other electrical accessories, ensuring durability, safety, and a neat finish for concealed wiring systems . UCT Ghana offers a range of low-voltage distribution boxes with fast delivery options, catering to both small and large-scale electrical projects . TradeFord Ghana Directory lists multiple local manufacturers and suppliers of distribution boxes. This platform connects buyers with Ghanaian companies capable of producing customized indoor distribution boxes, providing options for bulk orders and international trade . Homebase Ventures Ltd supplies electrical products that meet BS EN and BS EN ISO quality standards, including distribution boxes. They offer nationwide delivery and warranty services, making them a reliable choice for both individual and commercial buyers .

Materials and Standards

Indoor distribution boxes in Ghana are typically manufactured from:

- Galvanized steel or CRCA steel for strength and durability
