

Mauritania Professional Explosion-Proof Distribution Box Manufacturer

AI Overview

Mauritania has multiple suppliers and manufacturers offering explosion-proof distribution boxes suitable for hazardous environments, with international standards compliance such as ATEX, IECEx, and IEC.

Local and International Suppliers

- Mauritania Professional Suppliers A B2B marketplace lists 31 companies and suppliers in Mauritania that provide professional explosion-proof distribution boxes. These suppliers can be contacted directly for wholesale or custom orders, making it a practical starting point for sourcing locally .
- Flameproof Manufacturing Offers explosion-proof power distribution boxes suitable for hazardous areas, with main switch capacities up to 180A and branch circuits up to 63A. These boxes are designed for industrial applications requiring high safety standards .
- Atex Delvalle Specializes in custom-made explosion-protected local control stations and distribution boxes. Their products are made from stainless steel (AISI 304L or 316L) and are certified for ATEX, IECEx, and UL standards, suitable for Zones 1, 2, 21, and 22 hazardous areas. They offer configurable enclosures, robust designs for extreme climates, and a wide range of sizes and component combinations .
- Warom Group Manufactures a broad range of explosion-proof electrical equipment, including distribution boxes, control equipment, motor switches, and cable connectors. Their products comply with IEC, ATEX, and IECEx standards and are widely used in petroleum, chemical, marine, and mining industries .
