

Portuguese fiber optic cable communication materials supplier

AI Overview

Portugal hosts a range of reputable fiber optic cable suppliers and manufacturers, including Max. FastFiber, Altice Labs, Tratos Group, and Farnell Portugal, offering solutions for telecommunications, data centers, and networking applications.

Key Suppliers and Manufacturers

Max. FastFiber is the largest fiber optic wholesale operator in Portugal, providing FTTH access for retail and business customers, as well as Dark Fiber point-to-point connections, enabling operators to create customized broadband solutions . Altice Labs specializes in Optical Distribution Networks and structured cabling products, including fiber optic systems, racks, and cabinets, focusing on advanced network technologies for efficient telecommunications management . Tratos Group is a leading European fiber optic cable manufacturer with over 40 years of experience. They produce versatile, fire-resistant, low smoke, zero halogen optical cables suitable for high-speed broadband, FTTH installations, and demanding environments . Farnell Portugal offers a wide range of fiber optic cables engineered for high-speed, high-bandwidth data transmission. Their products include single-mode and multimode cables with various connector types, suitable for telecommunications, data centers, and networking applications . Other notable suppliers include CABLOTEC Cablagens e Sistemas Lda., G9Telecom, Jorsat, and CriticalConnects, which provide specialized connectivity solutions, pre-connectorized fiber optic cables, and innovative communication technologies for both corporate and industrial applications .
