

Price of European-style stepped cable trays

Overview

The average cable tray price per meter ranges from \$2 to \$25, depending on material, type, size, and surface finish. □□ For bulk orders or project pricing, the cost can be significantly lower. The main cost driver is the material used in manufacturing: Clear cable routing – Organized and safe cable management, easy maintenance, helps prevent failures. Strong and durable – Made of hot-dip galvanized steel or stainless steel, suitable for indoor and outdoor applications. Buy Cable Management Cable Tray, Wire Tray & Cable Baskets. For the. Wire Mesh Trays GR 60. E3Cable Trays are designed to meet most requirements of cable and electrical wire installations and comply to local and international standards of fabrications and finishes. SFSP cable trays and accessories from SFSP are manufactured from steel sheets in accordance with BS EN 10130/BS EN 10131/ BS EN.
