

Production of Spanish Cable Trays

Overview

Cable tray manufacturers in Spain are global leaders in innovative cable management solutions. They provide a structured pathway for cables, facilitating installation, maintenance, and changes. Cable tray help in organizing cables and ensuring they are safely protected from physical damage. Since 1982, VALDINOX has been designing and manufacturing wire mesh cable trays, supports, and easy-installation accessories. Since then, we have dedicated all our experience and technical. Every buyer chooses us first because of our excellent finishing and high-quality. We offer a wide range of cable tray systems to support tubing, electrical cables and instrumentation. Our cable trays are produced in fit for purpose materials like stainless steel, galvanized, aluminium and fibreglass (FRP/GRP) composites to suit any project type both offshore and onshore.
