

Singapore Standard Distribution Box Manufacturer

AI Overview

Key manufacturers of standard distribution boxes in Singapore include Asiatic Group, Sunlink Engineering, Schneider Electric Singapore, and Demex, offering a range of metal, polycarbonate, and fiberglass enclosures with IP-rated protection.

Asiatic Group

Asiatic Group supplies thermoplastic distribution boxes from Hensel, designed for low-voltage electrical installations. Their products are made from Thermoplastic Polystyrene and Polycarbonate, offering IP65 to IP67 protection against dust and water. These enclosures are UV-resistant, halogen- and silicon-free, corrosion-resistant, and flame-retardant, suitable for harsh environments. They feature modern terminal technology and are double-insulated to protection class II, ensuring safe and reliable energy distribution in residential, commercial, and industrial settings .

Sunlink Engineering

Sunlink Engineering specializes in metal distribution boxes (DB boxes), fabricated using CNC laser cutting, bending, and controlled welding for precision and durability. Their DB boxes are widely used in industrial, commercial, marine, and infrastructure projects in Singapore and Johor, Malaysia. Sunlink offers full customization for dimensions, material, opening layout, and surface finishing, making them suitable for housing circuit breakers, switches, instrumentation, and control components .
