

Stainless Steel Cable Tray Production in Kenya

AI Overview

Kenya has a growing stainless steel cable tray manufacturing sector, offering high-quality, customizable trays for industrial, commercial, and IT applications.

Local Manufacturers and Suppliers

Several companies in Kenya produce and supply stainless steel cable trays:

- Jeetmull Jaichandlall (P) Ltd. operates a modern manufacturing facility producing stainless steel cable trays in various sizes, shapes, and finishes. They emphasize high-quality standards, customization, and adherence to industry norms, serving both local and international markets .
- Anaco Trading Limited supplies stainless steel cable trays sourced from European manufacturers, offering standard and custom designs for electrical and construction projects. They provide cable ladders, basket trays, and other specialized configurations .
- JLH Electric manufactures stainless steel wire mesh cable trays (SS304 or SS316), designed for flexibility, corrosion resistance, and easy installation. Their trays are suitable for indoor and outdoor use, including IT environments, telecommunication houses, and industrial facilities .
- TDK Tech Store offers a range of metallic cable trays, including stainless steel, ladder, mesh, ventilated, and solid-bottom types. They provide standard sizes (lengths of 2.44 meters, heights 50-600 mm, widths 25-100 mm) and deliver across Kenya and East Africa .
